Residential Internet Basic Plan: \$20.00/Month
Professional Internet Plan: \$100.00/Month

Installation with 2 year commitment: \$50.00
Installation with 1 year commitment: \$100.00
Installation without commitment: \$200.00

Total due prior to installation: \$ _____

Payments are due on the 1st or the 15th each month paid in advance.

The Installation Fee consists of the initial set up of your connection in your home/office as well as the mounting hardware and the mounting of the antenna to your home. It also covers the initial setup of the internet connection to your computer to ensure a good connection. Any additional time spent on the installation is billable at \$45.00 per hour.

In addition, from time to time, to get a good connection to our tower we may need to raise the antenna higher than the edge of your roof. If this is the case the cost of the additional equipment will be added to the installation cost.

Router: We require a router for all customers on our network.

GUARANTY

I, _____, absolutely guarantee payment of \$250 to "Alliance Internet Communications, LLC", if the wireless antenna and components provided for Internet service is not returned upon termination of service or is not working properly due to customer neglect. Alliance Internet Communications, LLC has provided me with a copy of the High Speed Internet Access Service Agreement.
